PROFILE

A proactive, confident and self-motivated individual with warehouse experience. I have spent 12 years living in the United Kingdom and want to return to Lithuania to live and work. Trustworthy, punctual and committed to delivering excellent service. A strong team player who enjoys the challenge of new tasks and works confidently under pressure using own initiative to solve problems effectively. A passion for Engineering and IT, excellent Skills and the ability to plan and prioritise workload. Learns new tasks and skills quickly.
